THE CONFERENCE

We look forward to welcoming you to the IEPA 11 Early Intervention in Mental Health conference which will be held at the Westin Copley Place, Boston, Massachusetts, USA. This conference will bring together international experts in the field of prevention and early intervention in mental health.

The forum is organised for all professionals with an interest in the prevention and early intervention of psychosis and related mental disorders, to exchange and promote ideas and implementation in this area. The promotion of mental health is not just for the specialists but for everyone in the community including schools and industry.

Conference Promotion

One of the primary objectives of the conference is enhancing awareness. A professionally planned marketing strategy will ensure that the benefits of attending the 11th IEPA Conference are widely known around the world. This will include:

- Extensive direct mail campaigns
- Website and electronic promotions
- Editorial and display advertising in professional journals
- Active participation and promotion at intervening regional meetings relating to the main scientific themes

Who should sponsor and/or exhibit at the IEPA 11 Conference?

- Health care providers
- New technologies Health care
- Pharmaceutical companies
- Organisations with products / services who specialise in the field of Early Intervention in Mental Health

Delegate Profile

The Conference organisers expect approximately 1,000 delegates to attend, including:

- Leading practising medical practitioners
- Psychiatrists
- Psychologists
- Researchers
- Clinical educators
- Nurses
- Students
- Carers
- Consumers
- Other professionals in the field of Early Psychosis

The 11th IEPA conference will provide a unique educational environment dedicated to the exchange of leading edge psychosis research, treatment and commercial intelligence. As such aligning your company with the conference will provide you with the opportunity to consolidate corporate relationships and expose your company to your key markets. With over 1,000 delegates expected to attend the reasons to participate are plentiful and varied.

- The conference will have an international focus and will address psychosis research, both now and in the future. With outstanding international faculty of expert speakers the scientific program promises to deliver a world-class event.
- Sponsorship provides an excellent opportunity to promote your company, to support your brands and to maintain a high profile among specialist before, during and after the event.
- Your company's involvement, commitment and support of the IEPA 11 Conference will be widely acknowledged leading up to and during the Conference.
- Conference participants are keen to improve their knowledge. Aligning your organisation with this powerful educational experience demonstrates your commitment to assisting their development.
- Your representatives can mix informally with professionals from around the world.
- Your organisation will benefit significantly from exposure to an interested, relevant and influential audience in an informal yet informative environment away from the competition of everyday distractions.
- Sponsorship contributes to the promotion, planning and operating of the Conference, reducing the overall cost of managing and staffing the event and enabling a higher level of participation by delegates from less advantaged countries.
- The cost of sponsorship is a legitimate tax-deductible expense.

Early confirmation of your support for the Conference will ensure maximum exposure as your logo can be included in the extensive promotional campaign implemented in the lead up to the IEPA 11 Early Intervention in Mental Health Conference.
